### Letter of Agency

Authorization to authorization to change electric service provider.

I, the authorized signatory below, affirm my understanding of the following:

1. That I am authorized to make changes to my energy account and I agree to change my electric supplier from my current provider to **SmartEnergy Holdings, LLC**.
2. That the terms and conditions and nature of service, including the rate to be provided to me have been clearly and conspicuously disclosed to me in writing.
3. That I understand any electric service provider selection that I choose may involve a charge to me for changing my electric supplier.
4. That my correct name and billing address is listed below.
5. That I will receive a written copy of my Terms of Service and the Uniform Disclosure Statement and have been advised of my right to rescind.
6. That I understand that only one generation company, aggregator or supplier may be designated as my competitive supplier.
7. That I understand I may opt to receive a written copy of the contract and/or future correspondence(s) by United States Mail or by electronic means.
